

The Second Annual UMass Memorial Colorectal Cancer Symposium

Colorectal Cancer: If It Is Predictable, It Is Preventable

*A special day for anyone interested in learning
more about screening, prevention and the latest
innovative treatments for colorectal cancer.*

Wednesday, March 17, 2010
8 am – 3 pm

UMass Memorial – University Campus
Faculty Conference Room
55 Lake Avenue North, Worcester, MA

UMass Memorial Health Care is the largest not-for-profit health care system in Central Massachusetts with 1,500 physicians and more than 12,000 employees. Our comprehensive network of care includes teaching hospitals, affiliated community hospitals, outpatient clinics, community-based physician practices, and home health, hospice, rehabilitation and mental health services. UMass Memorial is dedicated to promoting health and wellness in the community, and is proud to be the clinical partner of the University of Massachusetts Medical School.

Thank you to our sponsors
